

Etiquette

USGA rules will govern all play except where modified by local rules. A list of local rules can be found on the back of the scorecard or a copy may be obtained in the Pro Shop. It is the responsibility of each golfer to... replace divots, fix/repair ball marks, rake & smooth sand traps and do their part respectively to ensure the character and playability of the course.

Pace of play shall be maintained so that no group is more than 2 shots behind the group in front of them. If any group or player falls more than 2 shots behind, they may be asked to pick up and move to a spot, further along, to catch up. If necessary, players may be asked to pick up and move to a spot, further along, to catch up. If necessary, players may be asked to let faster groups play through. In the event that any of these remedies do not work, players may be asked to leave the course without refund.

Stoppage for play any reason after 9 holes is not recommended. Any player/groups stopping for any reason on "the turn" may lose their starting position of the 10th tee. If stopping, players are asked to notify the Pro Shop. The Pro Shop will direct the players as to when they can resume play on the 10th tee. If proceeding to the 10th tee is not feasible, the result could be returning to the 1st tee again.
